## Academic Year 2021-2022

Dear FHS Faculty Members:

The Findlay Academic Boosters Club will again be offering teachers assistance toward enhancing the education of Findlay High School students.

FHS teachers may apply for a Findlay Academic Boosters Club Mini Grant for key projects that are not funded by the school system. Projects that have been funded in the past include the following:

- Software & DVDs
- Resource books
- Scientific calculators
- Equipment, teaching aids, games
- Kits for projects

We prefer to fund items that can be used from year to year and will benefit many students. We would rather not fund one-time events or consumable items such as transportation and food, but we may consider a special request depending on available funds. We will be reviewing applications in November. Please fill out the attached form, and send/email it for consideration by November 5, 2021, to Beth Fulk. If you have any questions, please direct them to [jbfulk@att.net](mailto:jbfulk@att.net) or call 567-301-0494.

Sincerely,

Beth Fulk  
Mini Grant Chairperson
