

Findlay High School Academic Booster Club

1200 Broad Ave, Findlay, Ohio 45840

Academic Year 2019-2020

Dear FHS Faculty Members:

The FHS Academic Booster Club will again be offering teachers assistance toward enhancing the education of Findlay High School students.

FHS teachers may apply for an Academic Booster Club Mini Grant for key projects that are not funded by the school system. Projects that have been funded in the past include the following:

Software & DVDs
Resource books
Scientific calculators
iPads, iPod touches, iPod Minis
Equipment, teaching aids, games
Kits for projects

We prefer to fund items that can be used from year to year and will benefit many students. We would rather not fund one-time events or consumable items such as transportation and food, but we may consider a special request depending on available funds. We will be reviewing applications in November. Please fill out the attached form, and send it for consideration by November 11, 2019, to Beth Fulk. If you have any questions, please direct them to jbfulk@att.net or call 567-301-0494.

Sincerely,

Beth Fulk
