

FHS Alumni Association Scholarship Fund

The Findlay High School Scholarship Fund began in 1998 when the proceeds from our first Alumni Musical Showcase were placed in this fund. Since that time, we have had eighteen more musicals to supplement this scholarship and are now awarding \$2,500 each year. We would like to increase this yearly amount with your help. This is your opportunity to contribute to the fund on an individual basis.

I would like to donate \$_____ to the Findlay High School Alumni Scholarship Fund. Please send acknowledgment and receipt.
