Re: Grant Number 2018166

Dear Edward:

We are happy to inform you that the Findlay-Hancock County Community Foundation authorized a three-year grant totaling \$275,000 to be awarded to Findlay City Schools to support the expansion of Pre-K to students with financial need. Year One – \$100,000; Year Two – \$100,000; Year Three – \$75,000. Funding Source: Madeleine Thomas Schneider Fund

A copy of the Grant Agreement is enclosed. **We suggest you make a copy of this Agreement for your files. Please take special note of all the terms and conditions indicated in the Grant Agreement.** We are asking you to sign the enclosed copy and return the entire document to the Foundation office as soon as possible indicating your acceptance. No check can be issued until the signed Grant Agreement has been received. It is estimated that the year one grant payment will be on or about June 7, 2018.

Please note that final financial and narrative progress reports, as required by the Grant Agreement, will be due as follows:

November 30, 2018: *Mid-Year Discussion*
May 31, 2019: *Written Report*
November 30, 2019: *Mid-Year Discussion*
May 31, 2020: *Written Report*
November 30, 2020: *Mid-Year Discussion*
April 2, 2021: *Final Written Report*

Please contact Kimberly Bash, Program Director – Collective Impact and Community Collaboration, to schedule the Mid-Year Discussions. Reporting forms can be found at www.community-foundation.com. Additional reporting information, such as student learning objective checklist data, KRA data and other data being collected in the joint data collection site should also be submitted. At the end of the three years, staff will review the program results. If successful outcomes continue to take place, staff will recommend the final two years of funding totaling \$75,000. It is understood that, at the end of the seven year period (original grant timeframe of 2016 – 2018, current grant timeframe of 2018 – 2021 and final grant timeframe of 2021 – 2023), the Findlay City Schools will be able to sustain the expansion of Pre-K in the city schools due to cost savings from reduced intervention services.

If you have any questions regarding the enclosed Grant Agreement, please contact me. **We ask that you include the above referenced grant number on all reports and any correspondence regarding this grant.** We wish you every success in the accomplishment of the goals of this project and look forward to receiving reports of your progress.

Sincerely,

Findlay High School GSA Constitution

Mission Statement

The Findlay High School Gay Straight Alliance (GSA) exists to work towards building an accepting community regardless of identity or orientation through education, support, social action, and advocacy. As the Gay Straight Alliance of FHS, we will bring together and recognize lesbian, gay, bi-sexual, transgender, questioning (LGBTQ) and straight youth in a positive and non-judgmental environment where they can fully express their individuality and share experiences. In addition, it is also our intent to create alliances that increase awareness, decrease prejudices, lessen isolation, and create a safe school atmosphere for all students.

Any student of Findlay High School may join the GSA, however, members must uphold the FHS/FCS behavioral code and standards as outlined in the in the student handbook.

Non-Discrimination Policy

The GSA stands and strives for the equality of all people. Therefore, it will never turn away or otherwise discriminate against an attendee for reasons of race, religion, sexual orientation, gender identity/expression, or any other creed or characteristic, real or perceived.

Dues

The amount of dues for active members shall be determined by the club officers and advisors and subject to approval by a member vote at a meeting.

Behavior

All attendees at any meeting must respect and behave civilly towards one another and towards guests. Each question and discussion is expected to be approached with maturity. Attending any meeting is an agreement to comply with these basic rules. If a member is observed to be violating this agreement, they will be asked to behave in a more appropriate way. If their behavior persists, they will be asked to leave the meeting. If chronic behavior issues continue, the Findlay GSA officers will provide a final

decision on the removal of the individual from the GSA for the remainder of the school year.

Privacy Policy

The GSA understands that there could be portions of our membership who wish to remain anonymous. All topics discussed in a GSA-organized environment are to be kept confidential. A member will never be pressured to release any personal or sensitive information (name, age, orientation, etc.), and the same information will never be recorded in GSA records without permission from the person or persons concerned.

Review of the Constitution

At the beginning of each GSA Year, the entire Constitution should be brought up to a general review by all members. This is an opportunity to ensure that the Constitution is fully understood by all members, as well as to resolve any procedural problems as early as possible.

Amending the Constitution

All changes and additions to policy are considered amendments. To amend the Constitution, a member should rewrite the section or sections that they believe should be changed, review the proposed changes with advisors, and present the amendment to the general membership. A two-thirds majority vote passes the amendment. The FCS and/ or FHS administration has the right to add or change any aspect of the constitution.
