PARENT AND STUDENT
HANDBOOK**

Revised June 2019

Educating and Empowering for Life

Attendance Procedure

In accordance with Ohio law students are expected to be in school every day on time, unless with legitimate excuse. When a student is absent from school the parent/guardian should call the child's school to report the absence the day of the absence. When a student returns to school after an absence, he/she must present a written statement certifying the reason for the absence from a parent/guardian or professional person within two (2) days. Written documentation is a request to excuse the absence. In cases of extended absence, a parent/guardian is required to notify the school of

the doctor's orders requiring the student to be absent. The doctor's documentation explaining the requirement for the absence must be provided to the school, in writing, within 3 days of the first day of the doctor's order for the absence. All professional documentation must be original signed copies; photocopies and/or stamped copies will not be accepted.

One school day is considered 6.08 hours for grades Kindergarten- 5th.

Tardiness

If a student arrives late to school or leaves school early the student and/or their parent/guardian must sign in/out with the attendance office. Excessive tardiness may result in administrative discipline. Time missed due to tardiness will accumulate and count toward absence and truancy procedures.

Unexcused Absence and Truancy Procedure

- 1-Schools shall send notice to the child and parent/guardian, in writing, the legal consequences of being truant once child has **15 or more hours of unexcused absences**, and notify them of their responsibility to cause the child to attend school immediately (ORC Sec. 3321.19)
- 2-Schools shall send notice to parent/guardian of child with **21 or more hours of unexcused absences** requiring the attendance of parent/guardian, and children grades 5-12, to attend parent education program (educational program's purpose is to encourage parental involvement in compelling the attendance of the child at school) (ORC Sec. 3321.19).
- 3-Schools may notify parent or guardian of students with **25 or more hours of unexcused absences**, in writing, the legal consequences of being truant.
- 4-The child is considered a habitual truant when the child is absent without legitimate excuse for **30 or more consecutive hours, 42 or more hours in a school month, 72 or more hours in a school year**. When a student is considered to be a habitual truant the school district shall implement an absence intervention plan (ORC Sec. 3321.19 and Sec. 3321.191) and may request a pre court conference.
- 5-Filing complaints of truancy and contributing (ORC Sec. 3321.191 and Sec. 2151.27) with Hancock County Juvenile Court.

Excessive Unexcused or Excused Absence Procedure

If a student accumulates **38 hours or more in one school month or 65 hours or more in a school year of excused or unexcused absences** the attendance officer shall notify the guardian in writing (ORC Sec. 3321.191). Once this criteria is met a student may be placed on **Attendance Watch** (excluding funeral, college visits, OSS, etc.).

The Attendance Watch program will closely monitor the student's attendance in an effort to minimize absences and provide assistance to the student and/or family. The student will be required to turn in a documented written excuse from medical, counseling, or other official personnel (other than parent written notes) that specifies the student's name, reason for the absence, and the date and times to be excused to the school within 2 days of the absence. Students who are ill may also be excused from school by the school nurse.

Student's may be placed on Attendance Watch at the beginning of a school year based upon last year's attendance records or during the current school year when the student has 38 hours or more in one school month or 65 hours or more in a school year of excused or unexcused absences. The Principal/Assistant Principal, Attendance Case Manager, counselor may meet with the student and develop a plan to improve school attendance. The attendance of students moving into the district will be reviewed using the same criteria for Attendance Watch.

ADMINISTERING MEDICINES TO STUDENTS

Oral Medication in Schools

If, under exceptional circumstances, a child is required to take oral medication (both prescription and over-the-counter) during school hours, and the parent cannot be at school to administer the medication, only the school nurse or the principal's designee will administer the medication in compliance with the regulations that follow:

BICYCLES

Students riding bicycles must respect the right of those walking. Pupils riding bicycles to school should dismount on the play areas and walk/push their bikes to the parking rack. Bikes are not to be ridden on school grounds. All bicycles must be parked in the racks provided. Locks are recommended. The school is not responsible for the security of bicycles. Pupils who do **not** follow these safety procedures will be denied the privilege of riding their bikes to school.

BUS POLICY

Only those children who are eligible riders can be transported by bus. A walker is not permitted to ride home with a bus student.

Bus students will be sent home on the bus unless a note from the parent/guardian is provided requesting other arrangements.

If a student wishes to get on or off his/her assigned bus at another established bus stop along the route, a note from the parents must be given to the building principal for approval. A permission slip must be presented to the bus driver upon boarding the bus.

Under no circumstances are students permitted to change their bus assignment (and ride a bus other than their assigned bus) or their bus stop assignment without written permission. Parent may request a change of bus or stop assignment by completing a form available in the school office.

BUS RULES

1. Pupils shall arrive at the bus stop five minutes before the bus is scheduled to arrive.
2. Pupils must wait in a location clear of traffic and away from the bus stop. A designated place of safety will be established by the bus driver.
3. Behavior at school bus stops must not threaten life, limb, or property of any individual.
4. Pupils must go directly to their assigned seat. All students on Findlay City Schools buses have assigned seats.

7. Pupils must not use profane language.
8. Pupils must refrain from eating and drinking on the bus, except as required for medical reasons.

10. Pupils must not have alcohol or drugs in their possession on the bus, except for prescription medication required for a student.
11. Pupils must not throw or pass objects on, from, or into the bus.
12. Pupils may carry on the bus only objects that can be held in their laps.
13. Pupils must leave or board the bus at locations to which they have been assigned, unless they have parental and administrative authorization to do otherwise.
14. Pupils must not put any portion of their bodies out the bus windows.
15. Pupils must depart promptly from the bus and when crossing the street will walk ten (10) feet in front of the bus, stopping midway in the road to check traffic.

7. Students are not allowed to throw food or to touch another student's food.
8. Students are expected to keep table and floor free of litter.
9. Students are expected to follow directions and be respectful of monitors.

CANCELLATION OR DELAY OF SCHOOL

The district's web site www.findlaycityschools.org may also be accessed for delays and closings and to sign up for District email notification.

Also, you can continue to tune to Findlay radio stations (WFIN 1330 AM, WBVI 96.7 FM, WKXA 100.5 FM) during inclement weather for information regarding cancellations or delays.

If school is cancelled before the completion of the school day, announcements will also be made on the radio. Parents and guardians are requested to develop a plan for these emergencies in advance. The school telephone lines are frequently jammed after school closing announcements.

When school is cancelled, any activity scheduled at the building on that day (e.g. P.T.O. meeting, skating party, Gray-Y basketball practice, scout meeting, etc.) is automatically cancelled as well.

CONDUCT

As all citizens realize, a school cannot operate effectively without reasonable rules and responsible students. It is firmly believed that it is the student's responsibility to exercise self-discipline and accept responsibility for his/her actions. However, this ideal is not always realized.

Rule violations and misconduct will be dealt with in a progressive fashion. Consequences for students who misbehave in the classroom, on the playground or in the cafeteria include warnings, parent conferences, detentions, denial of cafeteria and/or playground privileges, and/or referral to the principal. Parents will be notified of each serious offense. Consequences for those students referred to the principal for repeated rule violations and/or severe misbehavior may include disciplinary action as per Board of Education Policies (i.e. suspension, emergency removal, and/or expulsion). Violations of bus rules may result in denial of riding privileges. (See Student Conduct Policy).

Parents are asked to review with their children the rules listed in this handbook regarding proper conduct for school. If you are contacted about a behavior problem involving your child, your help and assistance will be requested in resolving the matter. As parents, your support is always appreciated. By working together we can ensure a successful school year for your child.

DRESS CODE/PUPIL GROOMING AND APPEARANCE

Parents are requested to send pupils to school clean, neat, and appropriately dressed for a good school experience. Clothing should be comfortable to enable a child to participate in class work as well as physical education and playground activities. Shorts are permitted during warm days. Clothing should be appropriate for weather conditions since outdoor recess is held whenever weather permits. It is recommended that clothing items such as jackets, sweaters, coats, boots, hats, gloves, mittens, and gym shoes be labeled as an insurance against loss.

Inappropriate clothing that distracts students or disrupts the learning process is not acceptable in the school. Students are not to wear hats in the school building. Clothing with drugs, alcohol, or tobacco advertising or displaying unacceptable behavior and/or offensive language is prohibited. (See Student Conduct Policy) **Bare midriffs, tank tops, spaghetti string tops, and mesh jerseys without t-shirts underneath are also prohibited. Flip-flops or footwear without heels or heel straps are discouraged for safety reasons.**

DUE PROCESS

(SUSPENSIONS, EXPULSIONS, AND REMOVALS)

Due process for suspensions, expulsions, and removals will be in accordance with Section 3313.66 of the Revised

Code of Ohio. With respect to the suspension of any student from any particular extracurricular activities, no due process guarantees beyond what appears in Section 3313.664 of the Revised Code are implied. The Superintendent may suspend a student from a particular or all extracurricular activities independent of or in lieu of other disciplinary action for any violation of this policy or any other duly promulgated rule applicable to the activity or activities in question. Similarly, the athletic director, relevant coach, or director may suspend a student from any particular or all extracurricular activities falling within such person's responsibility, independent of or in lieu of other disciplinary action for any violation of this policy or any other duly promulgated rule applicable to the activity or activities in question. The period of such a suspension shall not extend beyond one calendar year from the time the suspension is imposed.

When out-of-school suspension is imposed, the student may not attend school or extracurricular activities, and class work may be made up for credit or partial credit at the discretion of the appropriate principal. Suspensions and expulsions are considered unexcused absences.

EMERGENCY MEDICAL FORM

At the beginning of the school year, each parent is asked to complete an emergency medical form. This information is necessary for emergency situations. The form must be completed yearly and updated when situations change.

FEEES

School fees are due at the beginning of each semester (Aug/Jan) or may be paid for the entire year. Please do not combine payment for school fees and school lunches in the same check. Contact the school office for the schedule of fees. Make checks payable to **Findlay City Schools**. Fees may also be paid online through the Findlay City Schools link to *EZpay*.

GENERAL SCHOOL RULES

1. Students will enter the building in an orderly fashion and go directly to their rooms.

3. When moving through the hallways during school hours, students will refrain from talking. **Quiet** is expected in the building so as not to disturb students learning in other classes.
4. Students will obey direction given by any adult staff member. All adult staff members are to be addressed as Mr., Mrs., or Miss.

HAZING, DATING VIOLENCE, AND BULLYING

Hazing means doing any act or coercing another, including the victim, to do any act of intimidation or harassment to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Dating violence is a pattern of behavior where a person uses or threatens physical, sexual, verbal, or emotional abuse to control the person's dating partner. A dating partner is any person, regardless of gender, involved in an intimate relationship with another person primarily characterized by the expectation of affectionate involvement whether casual, serious, or long-term.

Bullying is an intentional written, verbal, or physical act that a student has exhibited toward another particular student more than once and the behavior causes both mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive environment for the other student. Bullying is prohibited at school and on the bus.

Permission, consent or assumption of risk by an individual subjected to hazing, dating violence, and/or bullying does not lessen the prohibition contained in this policy.

Prohibited activities of any type including those activities engaged in via computer and/or electronic communication devices are inconsistent with the educational process and are prohibited. No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing, dating violence, and/or bullying activities. No student, including leaders of student organizations, may plan, encourage or engage in any hazing, dating violence, and/or bullying.

Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include hazing, dating violence, and/or bullying. If hazing, dating violence, and/or bullying or planned hazing, dating violence, and/or bullying is discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all hazing, dating violence, and/or bullying activities immediately. All hazing, dating violence, and/or bullying incidents are reported immediately to the Superintendent and the appropriate discipline is administered.

Parents or guardians of any student involved in a prohibited incident shall be notified and, to the extent permitted by the "Family Educational Rights and Privacy Act of 1974" (FERPA), have access to any written reports pertaining to the prohibited incident.

The Superintendent/designee must provide the Board President with a semiannual written report of all verified incidents of bullying and post the report on the District's website.

The administration provides training on the District's hazing, dating violence, and bullying policy to District employees and volunteers who have direct contact with students. Additional training is provided to elementary employees in violence and substance abuse prevention and positive youth development.

District employees, students and volunteers are provided with qualified civil immunity for damages arising from reporting an incident of hazing, dating violence, and/or bullying. Administrators, teachers, other employees and students who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State law.

No one shall retaliate against any employee or student because he/she files a grievance or assists or participates in an investigation, proceeding or hearing regarding the charge of hazing, dating violence, and/or bullying of an individual.

GUIDANCE AND COUNSELING

All primary and intermediate buildings are served by a guidance counselor. The counselor works with students in small group and classroom settings to promote positive social interaction, good work habits, healthful attitudes, etc. Individual counseling is available to students when requested by students, parents, and/or teachers. Parent conferences can also be arranged by calling the guidance office at your child's school.

HEAD LICE

Students found with live lice will be dismissed until approved lice treatment is completed. Student is expected to return to school with parent the next school day to be rechecked by school nurse or principal designee. Student will be readmitted to school if no live lice are found and a noticeable improvement is made on nit removal.

HOMEWORK

Homework is designed to provide practice and to expand the student's academic skills. While parents may assist with homework, the teachers expect that homework be written and accomplished by the student to maximize learning.

Make-up work will be given on the return of the student to school. The teacher will inform the child when the work is due; it is the responsibility of the parent and child to see that make-up assignments are completed and returned.

HOURS

Students should not arrive at school before the designated arrival times for their individual buildings. Supervision of the children is not provided by school personnel before these times. Parental assistance with this matter is appreciated.

IDENTIFICATION OF PERSONAL ARTICLES

PLEASE label coats, jackets, sweaters, hats, gloves, gym shoes, books, musical instruments, lunch boxes, etc. Lost items should be brought to the principal's office and will be returned to the students if proper identification can be established. A lost and found area is maintained at each building.

IMMUNIZATIONS

All public school students are required by law to be immunized, or be in the process of receiving immunizations for mumps, polio, rubella, diphtheria, pertussis, and tetanus (O.R.C. 3313.671) or must file with the school a statement by a physician that certifies in writing that such immunizations are medically contraindicated. In accordance with State Board of Education guidelines, we will ban from attendance any students who have not received the required immunizations or otherwise complied with the Ohio Revised Code Section 3313.671 after fourteen (14) school days.

LUNCH PERIOD

The Findlay City Schools Food Service provides a school lunch for children daily. Funds may be added to student accounts through the EZpay link on the FCS website, or sending cash or checks to the schools office. Make checks payable to: **Findlay City Schools**. Free/Reduced price lunch application forms are sent home on the first day of school and details are available in the school offices.

Children may carry lunch to school and eat in the cafeteria with those who purchase the school lunch. The lunch period is supervised by school monitors.

Parents are encouraged to participate in our pre-payment system. School personnel are not permitted to loan money to students.

Students must remain at school during the noon lunch period and are **not** permitted to leave school grounds unless the parents pick them up.

NO SMOKING POLICY

Board of Education policy prohibits smoking or any use of tobacco products at all times in any building, vehicle, outdoor bleachers or other school property.

NURSE

A school nurse is on duty three and one-half (3 1/2) hours per day. The nurse assists with implementation of the health policies of the Findlay City Schools. The nurse also compiles an individual health record for each pupil.

OUTSIDE RECESS

The need for exercise and playtime is very important to a growing child's development. All children will participate in outdoor recess unless excused by the family doctor. The temperature will be the major factor to determine whether recess is outdoors or indoors. Normally, outside recess will occur when the temperature (wind chill) is 15 degrees and above. The general conditions of the weather will be considered to determine if the children shall stay indoors for recess, each building principal will use their discretion as the final determining factor. Please dress your child properly for all weather conditions. Boots, scarf, hat, and mittens or gloves are a necessity during the cold weather. Your child will be outside whenever possible.

PHOTO RELEASE

From time to time, student pictures may be taken by photographers and local newspapers to be used in school press releases and school publications. Videotaping is occasionally done during student programs and other special events. If a parent/guardian objects to having their child's picture and name used, they should notify the school in writing.

PLAYING AT SCHOOL AFTER DISMISSAL

Pupils are instructed to leave the building and school grounds immediately after school is dismissed. Once a pupil steps off school property, the school's responsibility for your child ends. Students may return to play on the playgrounds after school hours with parental permission. Children should be instructed to respect the building and grounds and the rights of others who may also be playing on the school grounds. Supervision of children is not provided by school personnel on the playground after school hours.

PROGRESS REPORTS

Progress reports are issued on the fifth school day following the end of each grading period. The school will hold final progress reports if school fees, lunch charges, and/or book fines are owed. If parents have questions or concerns regarding a progress report, they should contact their child's teacher. A conference may be arranged, if necessary. A copy of the progress report will be mailed to non-custodial parents upon request and with a valid mailing address.

RECESS AND PLAYGROUND RULES

In addition to the regular "common sense" rules of fair play among groups of children, students are not permitted to use skateboards, hardballs, or throw snow/stones at anytime while at school. Tackle football or other rough games are not permitted. Fighting and profanity are prohibited. Students are expected to follow the directions and be respectful of noon hour monitors. Please see your building's handbook for additional rules.

RECESS POLICY

In order to ensure a safe and consistent recess environment for our students during inside recess and outside on our playgrounds, we feel it is in the best interest of our students that only board approved monitors supervise students. We encourage parents to have lunch with their students, but once the students are dismissed for recess, please do not accompany the student outside or to the classroom.

RECORDS

Cumulative records (sometimes called permanent records) are kept in the school office for each pupil enrolled in kindergarten through grade five (5). Information such as the student's academic progress, health record, test scores, and attendance is part of the cumulative record. The Federal Rights and Privacy Act state that the material in these records is confidential. This information can be released only with the written permission of a parent, or with the written permission of the student if over eighteen (18) years of age. This act also states that the parents must be granted the right to view these records if they so desire. A qualified representative will assist the parent or guardian to help interpret the records.

SAFETY REMINDERS

We recommend that parents establish a safe, regular route for their child to use going to and from school. Stress the need to stay on sidewalks and to cross streets only at crosswalks. Encourage students to walk with friends and not alone.

Parents are also asked to explain to children the services of the adult/student crossing guards. Children are informed at school to cross streets where the adult/student guards are available.

If you do pick your child up after school, **avoid double parking automobiles and please observe areas (painted yellow or street signs) designated for bus parking only.**

All schools will conduct fire, tornado, and lock-down drills as required by law.

SALE of SNACKS to STUDENTS

The Healthy Hunger-Free Kids Act of 2010 directed the USDA to establish nutrition standards for all foods and beverages sold to students in school during the school day, including foods sold through school fundraisers.

The new Smart Snacks in School nutrition standards will help schools to make the healthy choice the easy choice by offering students more of the foods and beverages we should be encouraging – whole grains, fruits and vegetables, leaner protein, lower-fat dairy – while limiting foods with too much sugar, fat and salt.

Applicability of the Smart Snacks Standards

The Smart Snacks standards are applicable during the school day, which is defined as the midnight before to 30 minutes after the end of the instructional day. If such programs are operated in the school during the school day, or if afterschool snacks or meals are provided within the 30 minute window after the end of the instructional day, any other food available for sale to students at that time must comply with the Smart Snacks requirements.

STUDENT CONDUCT POLICY

The following rules of conduct apply whenever a student is on school property, at any school-sponsored activity, or otherwise subject to the authority of school officials. These rules also apply off school property when a student is going to or from school premises for instruction or to or from a school-sponsored activity if the misconduct occurs within one-quarter mile of the school premises or the location of the school-sponsored activity and also occurs within fifteen minutes of the time the student was scheduled to arrive at or left the school premises or the location of the school-sponsored activity. These rules also apply off school property, without regard to time or distance, if the misconduct directly and predictably interferes with the ability of another student to participate in the educational process. Whether and when to apply these rules under such circumstances will be evaluated case-by-case by the appropriate school personnel.

Violation by a student of any one (1) or more of these may result in disciplinary action, including In-School Suspension, detention, Out of school suspension, emergency removal, and/or expulsion, or other alternatives deemed appropriate by the administration, including referral to the appropriate authority for prosecution. For certain serious offenses committed by a student age sixteen (16) or over, the Board of Education may also seek to have the student permanently excluded from school in accordance with Ohio law.

29. **Extortion** - A student shall not compel or attempt to compel any student, school employee, or other person to give up anything of value by means of threat, harassment, intimidation, or injury to person, property, or reputation.
30. **Ethnic Slur and/or Intimidation** - The Findlay City School Administration recognizes that, in order to create an environment conducive to learning and to best facilitate the learning process, all students, regardless of their race, color, ancestry, national origin, or religion, have the right to an education in an atmosphere free of all forms of slurs, disparagement, and intimidation. The Administration further recognizes that certain acts against persons or groups because of a person's or group's race, color, ancestry, religion, or national origin, for the purpose of inciting and provoking bodily injury, intimidation, or harassment, poses a threat to the order and safety of our schools and has a negative effect on the learning environment in the schools.
 Ethnic intimidation is the harassment or intimidation of a person or group through the use of racial or religious slurs, profanity, denigrating racial or religious remarks, obscene gestures, and other conduct of this type. Other forms of ethnic intimidation might be fighting, vandalism, or threats, and would be punishable under one or more sections of the Code of Conduct.

STUDENT INFORMATION RELEASE

“Under Ohio Law we are required to release student directory info such as name, address, telephone, and date of birth to those requesting it UNLESS the parent or guardian notifies the school that such information is not to be released. Please notify the school by September 20th if you do NOT wish such information to be released this school year.”

STUDENTS SEEKING ASSISTANCE

Teachers, administrators, counselors, and other school staff are here to help students who may have some type of concern. If you have any concern about school, please talk with your teacher or other personnel.

TECHNOLOGY/1:1 DEVICES

Refer to Findlay City Schools 1:1 Device Handbook for Students and Parents regarding the rules and expectations for students with 1:1 devices. Also review the Board of Education Policy 9.21 for Students Acceptable Use and Internet Safety for the Computer Network of the Findlay City School District.

TELEPHONE USE BY PUPILS

The telephone in the school office is reserved for official business during school hours and is not intended for personal calls. Only calls of an emergency nature will be made for/by students and students will not be called to the phone to take incoming calls. We will deliver important messages to any student during the school day. Students should make necessary personal arrangements (e.g. clubs, scout meetings, etc.) before coming to school.

USE OF SCHOOL BUILDING

The building may be used by various youth groups, including Scout organizations, Campfire, YMCA activities, and 4-H. In all cases, after school groups must be supervised by a qualified adult leader. These and other functions may be scheduled through the school office facilities permit online and with documentation of liability insurance.

VACATION POLICY

We discourage families from taking students out of school for vacations. However, if the parents decide that this must be done, then the teacher and the office should be notified as early as possible.

The teachers will give pupils their assignments upon returning to school. It is the responsibility of the parent to see that make-up work is completed. Students will be given a period of time equivalent to the amount of school they missed to complete their assignments.

VISITORS TO THE SCHOOLS

Parents are encouraged to visit the school frequently and actively participate in the education of their child. Classroom visits may be arranged through the principal or the teacher.

We request that parents avoid conferences with the teacher during such visits, but rather schedule a conference for a mutually acceptable time.

For the protection of students, all non-students are to report to the office upon entering the building. Please do not go directly to the classroom. Loitering and trespassing laws will be enforced.

If you need to give your child a message, medication, homework, lunch, money, supplies, etc please go to the office. Interrupting class hampers valuable instruction time. Also, standing in the hall while waiting on your child or the teacher may be disruptive to the learning environment.

Students from other schools are not permitted to visit class with your child.

WITHDRAWING FROM SCHOOL

If it becomes necessary to withdraw a student from school, the office should be notified. After returning textbooks, paying any financial obligations, and receiving the current grades in each course, the necessary student records are then sent to the receiving school after parents or guardians sign the release forms.
