

**LAW ENFORCEMENT AGENCIES**

The District shall cooperate with law enforcement agencies in the interest of the larger welfare of all students. To carry out this responsibility, school officials should observe the following:

1. A student in school may not be interrogated by any authority without the knowledge of a school official.
2. Any interrogation must be done in private, with an official school representative present.
3. A student may not be released into the custody of persons other than parent or legal guardian, unless placed under arrest by legal authority.
4. If a student is removed from the school by legal authority, parents should be notified of this action by school officials as soon as possible.
5. The Superintendent shall be notified by the principal whenever a student has been arrested on school property.
