

**PREAMBLE**

The following policies are intended to provide overall guidance for the administration of the Findlay City School District (hereafter "District"). They are not intended to create, and should not be relied upon as suggesting, any contractual or quasi-contractual rights. To the extent, if any, that any particular policy or part of a policy conflicts with Ohio or Federal law, the applicable law shall take precedence. Similarly, to the extent, if any, that any particular policy or part of a policy conflicts with a collective bargaining agreement to which the District Board of Education (hereafter "Board") is a party, the agreement shall take precedence.
