

Recruiters in the Schools

All recruiters, military, employment, charitable and educational, are treated uniformly in the conduct of on-campus student recruitment. Scheduling of recruiting visits to the District is announced to the student body in advance. The District provides at least two opportunities per school year for recruiters to present information in person to all students in grades 9 through 12, individually or in a group setting.

All group meetings are scheduled through the principal's office. Classroom teachers who schedule recruiters as a career awareness activity should coordinate these activities through the principal's office.

In order to maintain the privacy of students, the Board prohibits the disclosure of any student list to any commercial organization that intends to use the list for commercial purposes. "Student list" is defined as a Board-approved directory of information. "Commercial organization" is defined as any entity that is a for-profit organization. "Commercial purpose" is defined as any activity that is an attempt to solicit business for profit.

Name and addresses of students in grades 10 through 12 must be released to a recruiting officer of the armed forces unless a parent or student (age 18 or older) submits a written request not to release the information.

All recruiters are expected to abide by all applicable laws, local ordinances, Board policies and District and building regulations pertaining to public conduct on District property.
