

COURSES OF STUDY

Courses of Study shall be provided for all subject areas. These guides will provide an outline for instruction and a basis for further development of the particular course.

The District will develop courses of study, as reflected by the needs of the local situation. The courses of study shall be designed to assist all users in strengthening and clarifying philosophy regarding the teaching of a subject.

1. Development of Courses of Study:
 - A. Where entire staff participation is not feasible, a system of representatives of staff and/or department concerned shall form systemwide committees for study, creation, and revision of any particular course of study.
2. Uses of Courses of Study:
 - A. Courses of Study are to serve as a framework from which a teacher will develop units of study, individual lesson plans, and approaches to instruction which will serve the pupils' particular needs at a particular time.
 - B. The administrative staff shall see that optimum use is made of available courses of study.
