

PUBLIC EXAMINATION OF CURRICULAR MATERIALS & TEXTBOOKS

During the period between the presentation of curricular and/or textbook recommendations to the Board and the subsequent Board action on such recommendations [normally two (2) weeks], it shall be the procedure of the District to make such materials available as follows:

1. Copies of curricular materials and textbooks recommended for adoption shall be placed in the administrative offices. When multiple copies are available, they will be placed in the Findlay/Hancock County Library.
2. Board policies and procedures regarding selection shall be available at each site.
3. The telephone number of the Superintendent and curricular personnel shall be posted.
4. Clearly designated viewing/reading areas shall be provided.
5. A registration of names and addresses shall be requested.
6. The Board will insure that on at least two (2) occasions the subjects of materials being considered and the locations of the review areas will appear in the local media.
