

USE OF VIDEOS IN ELEMENTARY CLASSROOMS
(Kindergarten thru Grade 5)

Only G rated films, movies and videotapes will be shown in elementary classrooms grades kindergarten through grade 2. In grades 3-5, PG rated films may be shown provided the principal approves of the use of the film and a letter is sent home to parents, explaining the instructional use of the film and giving parents the option of not permitting their child to see the film.

Any form of media used in a classroom is to follow age appropriate guidelines.

(To be included in all Elementary Teacher Handbooks)
