

COLLEGE CREDIT PLUS STUDENTS --- REQUESTING COLLEGE TRANSCRIPTS

**Did you take College Credit Plus (CCP) courses during high school (either at the college OR at the high school)?
Do you plan on attending a college/university after high school?**

If you were a College Credit Plus student at ANY point during your high school career—you will need to request a transcript from each college/university that you completed CCP courses with to be sent to the college/university you are enrolling with after high school. Your high school transcript only shows that you earned HIGH SCHOOL CREDIT for the CCP course. It is your college transcript that proves that you earned COLLEGE CREDIT for the CCP course.

Each college/university has their own process for requesting a transcript. The instructions below are meant to serve to help you throughout the process. Please know that your FHS School Counselor cannot request a transcript from the college/university on your behalf, and these procedures are subject to changes made by the college/university.

Rhodes State College

Rhodes State requires the completion of an “Official Transcript Request” form that can be found at www.rhodesstate.edu. Click on “Alumni & Visitors.” Then click on “Forms” on the left hand side, which will then lead to a link for the transcript request form.

Once you have completed and signed the “Official Transcript Request” form, it can be sent electronically to accountsreceivable@rhodesstate.edu or faxed to 419-995-8610. A single transcript copy costs \$5—checks can be mailed in with the transcript request—or if electronically sending your request, the fee can be paid by calling 419-995-8473.

By requesting a transcript from Rhodes State, the transcript will be sent to the college/university both electronically and by mail. If you are requesting your transcript before the end of the term you are currently enrolled in, you will want to check the “Hold for current term grades” box and it will be sent as soon as those grades are submitted.

Owens Community College

Owens Community College requires a student to request their transcript via their Ozone account. Once logged into your Ozone account, click on the “Academic Info” tab. In the “My Student Record” section, select “Request Official Transcript.”

Please allow 3-5 business days for a transcript to be sent. You may order a transcript at no cost. However, if you have a Financial Hold on your account- your request will not be processed. If you do not have access to your Ozone account, you can click on “Reset my Password” at the bottom of the Ozone log-in page, or contact the Help Desk at 567-661-7120.

University of Findlay
