FHS End of Year Plan

The health and safety of our students and staff continue to be our #1 priority. To ensure this, we have developed the following plan for students to safely turn in school-owned materials and textbooks.

This plan also lays out how the end of the year will be completed and details the finalization of classes. CCP students should follow the expectations of their teachers and professors. Seniors must return Chromebooks and underclassmen will be permitted to keep their Chromebook throughout the summer.

Thank you and Go Trojans!
