FLC End of Year Plan

The health and safety of our students and staff continue to be our #1 priority. To ensure this, we have developed the following plan for students to safely turn in school-owned materials such as, laptops, novels, and textbooks.

This plan also lays out how the end of the year will be completed and details the finalization of classes. Seniors and underclassmen must return Chromebooks and underclassmen (including middle school students) are required to turn in their laptops and chargers.

***Please make sure you finish your class before you turn in your computer.**

PLEASE NOTE: A

At this time students will not be permitted in the building to pick up personal items. We will continue to monitor state and local guidelines and determine when we can safely allow students in the building.

Students and families are encouraged to bag books (novels) and materials and label with the student's name to turn in through the drive-thru. This will ensure a smoother drop off process. FLC Parents and students should enter through the Broad Ave. light and proceed to the front FLC parking lot (where you drop off and pick up your student), FLC staff will be available, dressed in PPE, to collect materials. Please stay in your vehicle.

Should you have any further questions or concerns please do not hesitate to contact us.
